PRESS RELEASE

Fabriano, 12th June 2017

ISTOCARTA between books and exhibitions

All is ready for the two events promoted by ISTOCARTA which have been planned for this week-end. Friday **16th June 2017 at 5.00pm** 'Accademia dei Musici' (P.zza Fabio Altini 9) in Fabriano, in the suggestive "Museo del Pianoforte Storico e del Suono", is to host the event ***'I protagonisti della carta FABRIANO. Il principio ed il termine di una dinastia di cartari: Pietro e Giovanni Battista Miliani'***, in cooperation with 'Accademia dei Musici' and 'Museo Bodoniano' of Parma. The latest publishing works by ISTOCARTA will be presented on this occasion – one dedicated to Pietro Miliani and the other to Giovanni Battista Miliani, in commemoration of the 200th and 80th anniversary of their deaths. Dr. Caterina Silva, curator of the foundation 'Fondazione Museo Bodoniano' will present a reprint of "Pietro Miliani fabbricante di Carta" by Andrea Gasparinetti (1964) and the concert pianist Maestro Claudio Veneri, founder of the 'Accademia dei Musici', will give an unusual presentation of "La Musica", a work published by the young Giovanni Battista Miliani (1885), recited and played on the marvelous concert grand Bosendorfer (Vienna 1912). The voice recital shall be performed by Prof. Francesco Chiapparino and Dr. Marianna Astore from the 'Università Politecnica delle Marche', who will end off with a conclusive report on *'La modernizzazione di un'industria plurisecolare: Pietro, Giovanni Battista Miliani e la carta fabrianese'*. The following day, **17th June 2017 at 3.30pm** at the head-offices of ISTOCARTA (V.le Pietro Miliani 31/33), the photographic exhibition entitled ***'Le storiche Cartiere Miliani: FOTORICORDO della "fabbrica bella"'*** will be inaugurated, which will be open to the public from **17th to 30th June 2017**, everyday from 3.30pm to 6.30pm.

Both events will be held on occasion of **XXIII edition of the medieval festivities of 'Palio di San Giovanni Battista'** (Fabriano, 14th-24th June 2017).
